

**Johnston Health
Summer Junior Volunteer Application
2017**

***** Program Guidelines *****

The Junior Volunteer program has a limited number of available positions. Placement decisions will be based upon first come, first serve.

- Volunteers must be at least 15 years old by June 1, 2017.
- Volunteers must commit to at least one, four-hour shift per week from June 12 to August 4.
- First-time program participants are required to attend a 30 minute informational session at one of the following times:
Tuesday, May 9th – 4:00 pm or 4:30 pm
Wednesday, May 10th - 5:00 pm or 5:30 pm
- Volunteers must complete the **MANDATORY** orientation Tuesday, May 23rd from 4-6pm.
- Volunteers must have all required immunization records submitted with their application. Returning junior volunteers will not need to submit immunization records unless there have been changes from last year.
- Volunteers must receive the required 2-step Tuberculin Skin Test (TST) prior to commencing their volunteer activities. The first step will be given at the informational session and the second will be given at orientation.
- Applications, including essay questions and a letter of reference (not from a relative but from someone such as a teacher, school counselor, coach, mentor, etc.), and immunization records must be submitted in their entirety by **Monday, May 1, 2017**.

Fax or email completed application to Farrah Nguyen, Volunteer Coordinator.

Fax: 919-938-7914

Email: farrah.nguyen@unchealth.unc.edu

2017**

**Confidentiality Agreement between Volunteer
and Johnston Health**

I do hereby agree to perform my duties as a volunteer to the best of my ability. I understand and adhere to the importance of confidentiality while volunteering in the hospital. I agree to maintain confidentiality while serving here. I understand that if at any time there is a breach in confidentiality, I will be released from my duties as a volunteer.

I also agree to adhere to the Health Insurance Portability and Accountability Act of 1996, which ensures the security, and privacy of health information. I am aware that I have the legal responsibility to protect the personal health information of patients by not repeating any information about patients. Failure to do so can result in civil monetary penalties, possible litigation, and dismissal as a volunteer.

I hereby certify that the facts set forth on my volunteer application are true and complete to the best of my knowledge. I agree and understand that any misrepresentation, falsification of information or failure to disclose information now and after the application will subject me to dismissal.

Signature of Junior Volunteer Applicant

Date

For the Parent/Guardian
Please read and sign below.

My teenager has expressed an interest in volunteering at Johnston Health and has my permission to do so. Both my teenager and I understand that he/she will be responsible for specific assignments that will be made based on my teenager's availability to serve. I verify that my teenager will be at least 15 years old by June 1, 2017. I am aware that the Volunteer Coordinator of the Junior Volunteer Program may terminate my teenager's participation in the program at any time with or without prior notice if it is in the best interest of Johnston Health.

Parental Permission for Required Immunizations

Name of Junior Volunteer	Date of Birth
Parent/Guardian Name	

My teenager, _____, has my permission to participate in the Junior Volunteer Program at Johnston Health. As a participant in the Junior Volunteer Program, I understand there are required immunizations prior to the commencement of the volunteer activities. He/She has my permission to receive the required 2-step Tuberculin Skin Test (TST). I also understand that I will be required to provide a copy of his/her current immunization records including the following: Varicella, MMR, T Dap, and Hepatitis B.

As the parent or legal guardian of this junior volunteer, I understand that the purpose of this process is to prevent any potential health problems or exposures within the volunteer environment. I understand that all records and documentation of the immunizations and the results of these tests will be kept in the Employee Health Services Department, which monitors this program at Johnston Health. I understand that the data and documentation will not be shared outside of the Health Professionals monitoring program.

2017**

Check List for Immunizations

Documentation of the following is required:

- **Proof of Hep B series** given at 0, 1 and 6 month interval (or) positive Anti-HBs titer
- **MMR-** Must show either of the following:
 - laboratory confirmation of having measles, mumps or rubella disease
 - proof of 2 doses of live MMR given at least 28 days apart on or after their first birthday
- **Varicella (Chicken Pox)**
 - documentation of two doses of varicella vaccine given at least 28 days apart
 - history of varicella or herpes zoster (physician documented)
 - laboratory evidence of immunity (IGg) or lab confirmation of disease (IGm)
- **Tuberculin Skin Test-** Two skin tests from current year.

(Given at Informational Session & Orientation)

**Skin test must be administered and read by licensed provider such as RN, MD, or Nurse Practitioner.*

- If unable to have TST due to positive TB history:
 - must complete a medical questionnaire from our office during pre volunteer period
 - provide copy of positive history, including initial follow up in “mm” and treatment, if applicable
 - provide copy of most recent chest x ray

** if no documentation is available employee must follow 2 step TST process*

- **TDAP** (Tetanus, Diphtheria and Pertusis) documentation if previously received
