INDEPENDENT AUDITORS' REPORT

Board of Directors
Johnston Memorial Hospital Foundation
Smithfield, North Carolina

We have audited the accompanying financial statements of Johnston Memorial Hospital Foundation (the Foundation), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Johnston Memorial Hospital Foundation

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis-of-Matter Regarding a Correction of an Error

As described in Note 11 to the financial statements, during the year, the Foundation determined certain net assets were classified incorrectly between net assets without donor restrictions and net assets with donor restrictions. Our opinion is not modified with respect to that matter.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Johnston Memorial Hospital Foundation (the Foundation) is a private, nonprofit organization that was incorporated in North Carolina on December 4, 1992. The Foundation was established to improve the health of the people in its community by supporting the programs and activities of Johnston Health in Johnston County, North Carolina, and surrounding areas.

The Foundation is governed by a board of directors. The board of directors of the Foundation authorizes supporting distributions to Johnston Health.

Basis of Presentation

The accompanying financial statements of the Foundation have been prepared on the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Management considers all cash and highly liquid financial instruments with original maturities of three months or less to be cash and cash equivalents.

As of June 30, 2018, the Foundation had approximately \$1,300,000 of cash and cash equivalents and investments which are restricted by third-party donors or board-designated restrictions.

Promises to Give

Promises to give are recognized when a donor makes a promise to give that is, in substance, unconditional. The Foundation records unconditional promises to give expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques. In subsequent years, amortization of the discounts is included in contribution revenue in the accompanying statement of activities. Management determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections.

Investments

The Foundation records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position. Net investment gains and losses are reported in the statement of activities and consist of interest and dividend income, realized and unrealized capital gains and losses, less investment management and custodial fees.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Beneficial Interest in Assets Held by Community Foundation

The Foundation has an endowment fund held in trust by the North Carolina Community Foundation. Income from the endowment fund is available to be distributed annually for the general operating support of the Foundation.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Without Donor Restrictions – Net assets without donor restrictions include net assets available for use in general operations, and include any funds designated by the board of directors for specific purposes.

With Donor Restrictions – Net assets with donor restrictions represent resources subject to donor restrictions that are either restricted in perpetuity, time restricted, or restricted for certain purposes.

Contributions

Contributions are recorded as either support without donor restrictions, or support with donor restrictions depending on the existence and/or nature of any donor imposed restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net asset with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to the Foundation's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. Donated professional services are recorded at the fair values of the services received. Contributions were received as in-kind services from Johnston Health for advertising and salaries and related benefits (See Note 8).

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Uniform Prudent Management of Institutional Funds Act

During fiscal year 2009, the Uniform Prudent Management of Institutional Funds Act (UPMIFA) became effective in the state of North Carolina. Under UPMIFA, all unappropriated endowment funds are considered restricted. The Foundation adopted the provisions of the financial accounting standard for endowments of nonprofit organizations (the UPMIFA Standard) with respect to the accounting for the corpus and income recognition on endowment funds.

Income Taxes

The Foundation is exempt from federal and state income taxes as a nonprofit corporation under Internal Revenue Code Section 501(c)(3), and is not a private foundation. Accordingly, the financial statements do not reflect a provision for income taxes. The Foundation is subject to a tax on income from any unrelated business.

The Foundation follows guidance in the income tax standard regarding the recognition and measurement of uncertain tax positions. The guidance has no significant impact on the Foundation's financial statements.

Subsequent Events

The Foundation has evaluated subsequent events through September 19, 2018, the date the financial statements were available to be issued.

NOTE 2 FAIR VALUE MEASUREMENTS AND DISCLOSURES

The Foundation reports certain assets and liabilities at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Foundation can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 2 FAIR VALUE MEASUREMENTS AND DISCLOSURES (CONTINUED)

Level 3 – Unobservable inputs for the asset or liability. In these situations, management develops inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the quality, risk or liquidity profile of the asset or liability.

The following table presents assets measured at fair value on a recurring basis at June 30, 2018:

ASSETS	<u>Total</u>	<u>Fair Value Measurements at Report Date Using</u>		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments:

Beneficial Interests in Assets Held by North Carolina Community Foundation:	<u>\$ 219,770</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 219,770</u>

Below is a reconciliation of the beginning and ending balance of assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the year ended June 30, 2018:

Balance, Beginning of the Year	\$ 215,640
Net Realized and Unrealized Gain	12,276
Purchases, Sales, Issuances and Settlements (Net)	(8,146)
Balance, End of the Year	<u>\$ 219,770</u>

**JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018**

NOTE 2 FAIR VALUE MEASUREMENTS AND DISCLOSURES (CONTINUED)

The fair value of the beneficial interest in assets held by the North Carolina Community Foundation (NCCF) is based on the fair value of fund investments as reported by the NCCF. These are considered to be Level 3 measurements.

NOTE 3 NET INVESTMENT RETURN

Net investment return consists of the following for the year ended June 30, 2018:

	Investments	Board Designated Endowment	Beneficial Interests in Assets Held by Community Foundation	Total
Interest and Dividends	\$ 9,900	\$ 1,516	\$ 4,589	\$ 16,005
Net Realized and Unrealized Gain (Loss)	(7,954)	2,352	12,276	6,674
Less: Investment Management and Custodial Fees	(2,826)	(189)	(2,265)	(5,280)
Total Investments	<u>\$ (880)</u>	<u>\$ 3,679</u>	<u>\$ 14,600</u>	<u>\$ 17,399</u>

NOTE 4 PROMISES TO GIVE

Unconditional promises to give are estimated to be collected as follows at June 30, 2018:

Within One Year	\$ 87,423
In One to Five Years	85,000
Over Five Years	6,000
Total	<u>178,423</u>
Less: Discount to Net Present Value at 2.86%	(4,138)
Less: Allowance for Uncollectible Promises to Give	(5,352)
Total	<u>\$ 168,933</u>

NOTE 5 BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

The Foundation has an endowment fund held in trust by the NCCF. Income from the endowment fund is available to be distributed annually for the general operating support of the Foundation. While the stated intention of the agreement is for the principal to remain undistributed, the principal may be distributed at the Foundation's discretion. This fund had a value of approximately \$220,000 at June 30, 2018.

**JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018**

NOTE 6 ENDOWMENTS

The Foundation's endowment includes funds designated by the board of directors to function as an endowment. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of the Foundation created a quasi-endowment with a financial institution to benefit the Foundation. Income from the quasi-endowment is available to be distributed annually for general operating support of the Foundation. The principal may be distributed at the Foundation's discretion.

The Foundation is subject to UPMIFA and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions until the board of directors appropriates such amounts for expenditure and any other purpose restrictions have been met. The board of directors of the Foundation has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Foundation considers a fund to be underwater when the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Foundation has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and appreciation of investments
- Other resources of the organization
- The investment policies of the Foundation

Endowment net assets composition by type of fund was as follows at June 30, 2018:

	Without Donor Restrictions	With Donor Restrictions	Total
Board-Designated Endowment	<u>\$ 137,809</u>	<u>\$ -</u>	<u>\$ -</u>

**JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018**

NOTE 6 ENDOWMENTS (CONTINUED)

The change in endowment net assets for the year ended June 30, 2018 is as follows:

	<u>Without Donor Restrictions</u>	<u>With Donor Restrictions</u>	<u>Total</u>
Endowment Net Assets, Beginning of Year	\$ 6,114	\$ -	\$ 6,114
Investment Return:			
Investment Income, Net of Fees	3,244	-	3,244
Net Realized and Unrealized Gain (Loss)	435	-	435
Contributions	<u>128,016</u>	<u>-</u>	<u>128,016</u>
Endowment Net Assets, End of Year	<u>\$ 137,809</u>	<u>\$ -</u>	<u>\$ 137,809</u>

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Foundation to retain as a fund or perpetual donation. No deficiencies of this nature exist at June 30, 2018.

The Foundation has a total return spending policy that allows the Foundation to receive distributions of income up to the total received, without affecting corpus. These distributions follow donor restrictions and guidelines within the Foundation's programs.

Endowment Fund Not Included in Foundation's Financial Statements

In 2003, an outside party created the Cara Lee Powell Priest Endowment Fund with the NCCF. Because the NCCF has variance power, this fund is not recorded on the Foundation's financial statements. The fund is a permanent endowment with only the net income of the fund being distributed to the Foundation for general operations. During the year ended June 30, 2018, the Foundation received distributions of approximately \$6,400 from this fund.

NOTE 8 RELATED PARTIES

The Foundation received donated salaries and benefits and advertising services from Johnston Health. Donated salaries and benefits approximated \$211,000 and donated advertising services approximated \$62,000 for the year ended June 30, 2018, and are included in Gifts In Kind within the statement of activities.

The Foundation also received donated materials and supplies for events during the year and in support of the Foundation's mission. During the year ended June 30, 2018, the Foundation received donated materials and supplies of approximately \$138,000, and are included in Gifts In Kind within the statement of activities.

The Foundation paid approximately \$219,000 to Johnston Health during the year ended June 30, 2018, which are included in Program Services within the statement of activities.

At June 30, 2018, the Foundation had amounts due to Johnston Health of approximately \$7,000, which are included in Accounts Payable within the accompanying statement of financial position.

JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 9 CONCENTRATION OF CREDIT RISK

Financial instruments which subject the Foundation to a concentration of credit risk consist of cash and cash equivalents placed with financial institutions. At times during the year, the Foundation has funds invested with financial institutions in excess of the Federal Deposit Insurance Corporation Limits.

NOTE 10 LIQUIDITY AND AVAILABILITY

As part of the Foundation's liquidity management, it invests cash in excess of daily requirements in an investment account with a financial institution. Additionally, the Foundation has an endowment established by the board of \$138,000. Although the Foundation does not intend to spend from its investments and endowment other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation, these amounts could be made available if necessary.

The Foundation's financial assets available within one year of the balance sheet date for general expenditures are as follows:

Cash and Cash Equivalents	\$ 431,725
Pledges Receivable, Net - Current	87,423
Board-Designated Endowment	137,809
Other Investments Appropriated for Use	809,488
Total	<u>\$ 1,466,445</u>

NOTE 11 PRIOR PERIOD ADJUSTMENT

During the year, management determined certain net assets should have been recorded as net assets with donor restrictions at June 30, 2017 rather than net assets without donor restrictions. As a result, management recorded a prior period adjustment to restate its beginning net assets, by reclassifying approximately \$290,000 from net assets without donor restrictions to net assets with donor restrictions, as of July 1, 2017. The adjustment did not impact total net assets.
